I hereby agree to operate this aircraft, Aeroprakt A22, registration 24 – 4114 in accordance with all Ra-Aus and CASA legislation, operation of recreational aircraft in Australia, and to abide with the guidelines as stated in the issue of the Ra-Aus Pilots certificate.

I, as Pilot in Command, agree to operate this aircraft within the conditions of hire, as set Hornet Recreational Flying, and comply with these conditions whilst operating this aircraft.

I, as Pilot in Command agree to complete all flight logs, Flight Plans and Fuel Management logs as required by the owner Hornet Recreational Flying during my period of hire and to present these logs at the completion of each hire.

I fly in this aircraft at my own risk and as Pilot in Command will undertake a briefing to any passengers that may accompany me as Pilot in Command during each period of hire stating that they fly in this aircraft at their own risk.

I agree to pay Hornet Recreational Flying the agreed sum on a fuel supplied basis, for the private hire of the aircraft.

If fuel must be purchased as part of a planned flight, I agree to purchase the required fuel at the correct grade as stated within the aircraft operator's manual at my own expense and take all possible measures to prevent fuel contamination. On arrival, I will inform Hornet Recreational Flying that fuel has been purchased for the aircraft and the steps taken to prevent contamination.

If fuel has been purchased, I agree to keep proof of purchase in the form of receipts to be presented to Hornet Recreational Flying on return to Emkaytee Airfield to be reimbursed at the completion of the hire. If receipts cannot be presented, I agree that Hornet Recreational Flying will not be held to account with regards to payment of fuel.

I agree that during the period of hire, I am responsible for any damage that may occur through negligent actions on my part as Pilot in Command and that I agree pay for any damage that may occur to the aircraft due to those actions and if required, pay the insurance excess to the sum of $3000.

If the aircraft is damaged due to Pilot negligence and cannot be returned to Emkaytee via air, I agree to cover all costs associated accommodation, travel and any associated costs for myself and my passenger.

I agree not to carry out any mechanical or other repairs to the aircraft at any time without the express permission of Hornet Recreational Flying. In the event Hornet Recreational Flying are uncontactable and the aircraft can be operated safely and in accordance with all current legislation, I agree to fly the aircraft no further than nearest airfield that contact can be made with Hornet Recreational Flying before further flight is undertaken.

I agree to submit a flight plan stating my proposed route, proposed landings on route and time of arrival at Emkaytee to Hornet Recreational Flying prior to undertaking any flight in the aircraft.

I understand that failure to adhere to the stated flight plan may incur further costs in the event the aircraft is unavailable for following hiring's.

I as Pilot in Command am responsible for any fees or charges incurred while operating this aircraft from airfields other than Emkaytee airfield during or resulting from my period of hire and if utilising another airfield or facility to ensure that the aircraft is secured in the appropriate manner when left unattended.

At the completion of hire I agree to return the aircraft key and sign out log to the Top End Flying Club safe or present the key and aircraft log to Hornet Recreational Flying if on site. I understand that if the key is misplaced during the period of hire that I will be charged a fee to have the key and log replaced.
